

Forrest Jones Memorial Scholarship

Purpose and Qualifications

The Forrest Jones Memorial Scholarship was established in 1999 to honor Forrest Jones, a dedicated aviation maintenance professional and role model who combined innovative thinking and a common-sense approach to everyday problems. Forrest made a significant contribution to aviation in the State of Alaska, actively supporting aircraft operations for over forty years. His maintenance philosophy of “fixing it right, by the book” was combined with a high degree of professionalism and integrity.

The Forrest Jones Memorial Scholarship seeks to perpetuate this attitude and commitment to aviation in Alaska. The scholarship is awarded in early spring at the annual Alaska Air Carriers Association Convention. The amount to be awarded each year will be determined annually by the AACAA Scholarship Committee. **A scholarship in the amount of \$3000 shall be awarded in February or March.**

The Scholarship Committee considers the following factors in determining awards

1. High school grades, college/university grades, or GED scores
2. SAT/ACT scores
3. Demonstrated leadership, citizenship, and community service accomplishments
4. Purpose, ambition, integrity, and personal initiative
5. Letters of recommendation
6. Applicant’s personal essay
7. Applicant’s ties to Alaska and intent to seek Alaskan aviation employment

Conditions

Applicant must be enrolled in or applying to one of the following (in an aviation field), or a high school senior applying to:

- Accredited college or university
- Licensed flight school
- Certified A&P program

GPA
