

Glennallen High School Scheduling Request Form

TOTAL CREDITS REQUIRED FOR GRADUATION: 23.5

General Instructions: Students must enroll in six classes in Grades 9-11, and are encouraged to enroll in six classes (full schedule) during senior year, as well. Students intending to qualify for the Alaska Performance Scholarship must review course selections carefully to ensure selected classes will apply to APS eligibility.

The information provided on this form is intended to assist the administration in creating a schedule that meets the needs of each individual student. Many factors contribute to a student's final schedule, including grade level, standardized test scores, prior academic performance, teacher recommendation, administrative input, student and parent requests, and class size/enrollment.
