

Introduction to Nautical Skills CALLING ALL HS STUDENTS! Interested in Fast Tracking Yourself into a High Paying & Adventurous Maritime Career?

The AVTEC- Alaska Maritime Training Center's Nautical Skills course introduces High School students to the exciting and lucrative Maritime Industry and assists them in developing the basic skills essential to their success and safety as a mariner. The 12 week course will focus on maritime career awareness, chart navigation, safety of life at sea, time/speed/distance problems, nautical courtesy, basic rules of the road, and knot tying. Information about Maritime careers, apprenticeships and additional training opportunities will also be shared. Live webinar training sessions with a U.S. Coast Guard Licensed Maritime Training Instructors will be delivered online weekly via WebEx and a wide range of activities, assignments, tutorials and assessments will be delivered online via AVTECOnline.

Upon successful **completion of the Nautical Skills class**, HS students (and HS Teachers) are **eligible to receive \$\$tuition, room & board\$\$ funds** to assist them with the completion of a wide range of USCG Approved Courses at AVTEC. Many Alaskan Students have already become fully licensed, highly employable professional Merchant Mariner while still in High School, **completely debt free!**

FOR HS STUDENTS & HS INSTRUCTORS

HS Basic Training (BT), April 2-6 OR June 4-8, 2018

Students will earn 4 USCG Coast Guard Certifications upon successful completion of this training and BT Endorsement that is a required and HIGHLY valued credential for entry level maritime industry employment. This course also satisfies part 1 of the 3 part AMAP Tier 1 training requirements for students whom might be interested in applying for this apprenticeship after they graduate from HS and turn 18.

Course Info & Online Registration: avtec.edu/HSBT

HS Basic Shipboard Culinary Training (BSCT), June 11-15, 2018

This culinary course is geared towards individuals that want to acquire the basic safe food preparation skills for alternative cooking environments other than a commercial kitchen. Its focus is on cooking techniques used in ship's galleys or in other remote areas without compromising good sanitation practices and nutritional cooking. This course also satisfies part 2 of the three part AMAP Tier 1 training requirements for students whom might be interested in applying for this apprenticeship after they graduate from HS and turn 18.
